WALNUT GROVE SECONDARY SCHOOL

CHEMISTRY 11

Ms. Kerr's CLASSROOM EXPECTATIONS

1. **ATTEND EVERY CLASS AND BE ON TIME**
   If the door is open go to your seat quietly and if the door is closed you need to wait for me to come and get you. Frequent lates will be reported to your parents and administrators.

2. **ABSENT**
   You are responsible for making up all missed work while absent. Please see me ASAP to make arrangements regarding missed tests and assignments. You can check the website for what you have missed and remember to contact your **homework buddy** to get all work, and test announcements while absent.

   Homework Buddy name: _____ Phone #: _____

3. **LATE OR INCOMPLETE ASSIGNMENTS**
   All assignments are expected to be completed and handed in on time. If you need help or extra time please see me. If an assignment has already been marked, you will receive a zero. It is your responsibility to make up the incomplete/late assignment and you may be required to complete it in my presence during flex time, before school, or after school.

4. **MATERIALS NEEDED FOR CLASS**

Blue/black & red pens	Calculator	Lined paper
Pencil crayons	Binder	
Pencils & erasers	Ruler	

5. **NOTEBOOK ORGANIZATION**
   Please put your name, date and block on all work and put all notes, assignments, labs, and quizzes in the order that you date them.

6. **BEHAVIOUR**
   Turn electronic devices (cell phones, etc.) to silent or off before class begins. Use of electronic devices is at the teacher's discretion and may be used for research purposes when computers are not available. Be engaged in the class, ask questions and participate in discussions. Be respectful to the teacher and your classmates.

7. **OTHER**
   - Bring your **AGENDA** to every class! This may be your electronic device with the Gator Blocks app.
   - **No food or drinks** (other than water) in the science classroom (chemical contamination/messy room).

8. **FLEX TIME**
   I encourage you to attend flex time if you need extra assistance; you have fallen behind or are planning to be away, or have been asked to attend for a specific reason. Flex time should also be used to complete assignments, review course material and explore your passion for science.
